### **PREMIER GLOBAL CONFERENCE ON EMOTIONAL INTELLIGENCE** **Improving relationships and success in schools, businesses, and communities.**

The 5th Annual NexusEQ Conference: "***Leading with Emotional Intelligence***" is coming to Europe, June 12-14, 2005, near Amsterdam in Holland. Practical applications of emotional intelligence in business, education, and health -- visit <http://www.NexusEQ.com> or call (650) 685-9885.

Managers, consultants, educators, and counselors from around the world will come together to share best-practices in applying emotional intelligence. The conference helps practitioners increase leadership, effectiveness, and wisdom in business, education, and health. Delegates will learn new research, practices, and tools to improve their organizations and communities.

The speakers' list reads like a "who's who" of emotional intelligence experts from 19 countries -- with over 60 books and hundreds of articles to their credit. There is no other event that brings together this breadth and depth of expertise. Speakers include Dr. Daniel Goleman (*Emotional Intelligence*), Dr. Peter Salovey (Yale University), Dr. Annie

McKee (Teleos Leadership Institute), Dr. Yuri Hanin (Research Institute for Olympic Sports, Finland), Dr. Anabel Jensen (Six Seconds EQ Network).

The conference will be held in Egmond ann Zee on the North Sea outside Amsterdam; the site was chosen because it is centrally located in Europe.

NexusEQ is the premier event in the field. For more information and registration, visit <http://www.NexusEQ.com> or call (650) 685-9885.
